Values at **\$5.98** Newest Fall and

The important point about this interesting news is that the break in price comes at a time when the season is at its height, and the entire winter ahead.

The Coats themselves are lovely, the noblest one could expect to see in any store at from a third to one-half more.

NOTE THE MATERIALS: Cut velvet, imported zibelines, plaid and other novelty materials, boucles and striped boucles, chevrons, chinchillas, kerseys, etc., in a fine range of colors, plains and fancies.

THE SIZES ARE 6 to 14 years, and THE STYLES—but what's the use when you're coming anyway to look them over.

Such value is little short of **WONDERFUL!**

Second Floor—Women's Section.

DEMONSTRATION

Bien-Jolie Grecian-Treco Corsets.

The Grecian Treco fabric, through sheer artistic and practical merit, has won for itself an assured pre-eminent place in corset designing.

Put forth tentatively, after many experiments to find a new material suited to the era of the Greek line in style, it was instantly accepted. Actual use has abundantly confirmed the universal first judgment that it is **THE** perfect corset fabric.

It is an exclusive feature of Bien-Jolie models—the corset that the most renowned Paris and New York mode masters employ when designing gowns that shall add to their fame.

Bien-Jolie Grecian-Treco Corsets

Gently entice the figure into long, beautiful lines, so naturally, and imperceptibly that you are supremely unconscious of wearing a corset at all.

The widest feminine figure range includes no forms that cannot be fitted easily and accurately in the **BIEN-JOLIE**.

Let us fit your model to you. It will be a revelation. Sizes 20 to 36. Prices range from \$3.50 to \$10.00.

BIEN-JOLIE Corsets are boned with **WALLOHN**. This demonstration will be conducted in our Corset Department.

MISS RIDENOUR SAYS CLAYTON IS NOT RIGHT MAN

Fails to Identify Suspect Held by Henrico County Police—Clayton Held on Suspicion.

After Miss Gladys Ridenour, eighteen years old, 503 Third Avenue, Highland Park, had looked upon Edward Clayton, a heavy-set white man who was in Police Court yesterday morning, she said: "That's not the man." The police believed that the girl could identify the suspect as the man who attacked her last Wednesday afternoon while she was walking on the public highway not far from her home. The description she gave of the costume worn by her assailant tallied exactly with that of Clayton, and Miss Ridenour said: "The man who laid hands on me was more youthful in appearance."

Clayton was remanded to jail for ten days despite Miss Ridenour's failure to identify him. The police believe the girl is heartily although they are not certain that he is guilty of any offense.

With her four-year-old adopted sister, Miss Ridenour was walking near her home Wednesday afternoon, when she was followed by a man dressed like Clayton, who grabbed her. The girl screamed for help and the man fled.

Clayton was arrested early Sunday morning by Policeman Dugan at Eleventh and Main Streets. The prisoner says his home is in Vermont, and that he came here during the State Fair, to say he has been at work on a farm near Glen Allen.

The program will comprise stunts by Ruthertford, the magician; Rianhard, the black face comedian; songs and recitations. Election returns will be read. A basketball game will be played at 9:30 o'clock in the gymnasium.

Changes in Charters.

The State Corporation Commission yesterday awarded a supplemental certificate of incorporation to the J. G. Wilson Corporation, of Norfolk, authorizing a change in the proportions of the capital stock of that concern, making 40 per cent of the stock preferred and 60 per cent common.

An amendment was allowed to the charter of the Norfolk County Association of Norfolk, reducing the capital stock of the corporation from \$1,000,000 to \$100,000. The concern was recently chartered to deal in structural materials.

EMANUEL MOSBY INDICTED ON CHARGE OF BIGAMY

Grand Jury Does Not Return True Bill Against Man Who Shot His Wife.

Emanuel Mosby was indicted yesterday by the Hustings Court grand jury on the charge of bigamy. The true bill against him sets forth that on March 26, 1890, he was married to Frances Washington, in this city. With his wife still living and without procuring a legal separation from her, he is charged, he married again in New York on January 1, 1907, taking to wife this time Ella Wilson.

The grand jury failed to return a true bill against Joseph Strong, the negro who, on October 3, shot and killed his wife, Mary F. Strong. The indictment was brought out, was intended for a man with whom Strong found his wife in a compromising situation. The killing was regarded as accidental, and the negro was released.

Other indictments returned by the grand jury yesterday follow:

Enoch Douglas, robbery; Cullen Gallimore, burglary; Ida Green, house burning; Henry Gallimore, house breaking; Fitzhugh Guy, malicious wounding; Samuel Hales, grand larceny; Albert James and Clarence Johnson, car breaking; Samuel Jackson, burglary; W. C. Mann, robbery; William Smith, car breaking; James Washington, grand larceny; and Arthur Weaver, burglary.

William Merritt Fined.

Charged with using profane and abusive language and with breaking up several articles of furniture in his home on Twenty-ninth Street, William Merritt was yesterday given a hearing before Magistrate H. S. Sunday, of Henrico County, and fined \$10 and costs. Merritt was arrested Friday by police officers, when complaint was made to them by his wife.

A judgment for \$605 was awarded yesterday by the Law and Equity Court to the American National Bank against George H. Ellis and J. Ellis, trading as Ellis Bros., and Thomas E. Stagg and Judkins W. Stagg, trading as Stagg & Son.

MRS. MARY E. JENNINGS CHARGED WITH STEALING

Employee of Miller & Rhoads Is Traced to Her Home by Detectives.

VALUABLE DRESS GOODS SEIZED

Implicated by Mrs. Ella Atkins, to Whom She Is Alleged to Have Sold Broadcloth Suit Far Below Its True Value.

After she had been confronted with alleged evidence of her guilt and had broken down and confessed, Mrs. Mary E. Jennings, forty-five years old, of 2822 East Franklin Street, was arrested yesterday afternoon by Detective-Sergeants Wiley and Kellam on a charge of stealing a quantity of dress goods from the Miller & Rhoads department store, in which she had been an employee for nearly two years. The arrest of Mrs. Jennings followed closely the arrest of the arrest of Mrs. Ella Atkins, twenty-six years old, and Mrs. H. C. Thompson, forty years old, who were charged with the shoplifting. In a statement given to the proprietors of the store, Mrs. Thompson implicated Mrs. Jennings, saying that the latter had sold her broadcloth suit far below its value in payment of a debt.

For some time after she had been taken into custody Mrs. Jennings repeated that she was innocent of wrongdoing, but broke down when she was told of the clothing alleged to have been stolen from the Miller & Rhoads store, and she finally confessed. The temptation was too great and the road was too easy to travel.

PACKED UP WEARING

Plans for the arrest of Mrs. Jennings were made immediately after the other two women had been locked up. When she reached the store yesterday morning casual mention was made to her of the arrest of Mrs. Atkins and Mrs. Thompson, and it is said that she immediately left the store and went home. She was followed by the detectives and a representative of the store. Arrived at home, it is alleged, she packed up the goods and fled. The alleged confession was made to the First Police Bureau, where she was admitted to bail in the sum of \$300. She took her arrest calmly.

Mrs. Jennings and Mrs. Thompson were arrested early yesterday morning in their apartments at 211 East Broad Street. They were arrested on the charge of shoplifting. Wiley and Kellam asked that the hearing be postponed to tomorrow morning, in order that they might have more time in which to procure further evidence and to make other arrests.

Justice Crutchfield Returns.

Police Justice Crutchfield, who has been to New York on a week's vacation, returned home yesterday on account of the serious illness of his little grandson, Douglas Woodfin, son of S. K. Woodfin, 802 Lamb Avenue, Barton Heights.

Justice Crutchfield has three weeks' more vacation, and hopes to be able to go to Bunkle, La., to visit a married daughter.

GOVERNMENT COLLECTS \$800,000 IN OCTOBER

Internal Revenue and Customs Figures Show Volume of Business.

SLIGHT DROP IN POST-OFFICE

For First Time This Year Postal Receipts for Month Are Less Than Corresponding Month Last Year. How Other Figures Compare.

Uncle Sam took the sum of \$800,000 from the pockets of Richmonders during the month of October. On top of this big amount, a series of special taxes went into operation yesterday, which will add another \$50,000 to the burden each year. The larger part of the money was collected by the Internal Revenue Department, and the balance from the post-office and customs-house.

For the first time within more than a year, and the third time in four years, the post-office receipts show a decrease over the corresponding period of the previous year. Cashier W. D. Melton reported yesterday that the total collections during the month of October were \$75,327.03, as compared with \$77,052.62 for October, 1913. Of the collections for last month, \$69,532.70 came from the sale of stamps and stamped paper, and the balance from other sources. The decrease for the month was \$1,255.49.

CUSTOMS REVENUES BELOW LAST YEAR

In the customs-house another decrease is shown. The collections for the month of October while larger than any month for the fiscal year, were far below the corresponding month for 1913. The figures for the two months are \$87,315.81 and \$112,815.29. Deputy Collector Gay Smith reports, however, that October, 1913, was the largest month in two years. His figures show that the collections for the four months of the present fiscal year are less than \$100 below the receipts for the corresponding period of last year. The collections are as follows: July 1 to November 1, 1914, \$338,995.24; July 1 to November 1, 1913, \$339,096.85.

An unusually busy month was recorded by the Internal Revenue Department. The collections amounted to \$629,712.47, divided as follows: Beer, \$5,169.76; special, \$1,643.33; cigarettes, \$348,828; cigars, \$84,309; spirits, \$88,083.49; tobacco, \$95,678.34.

The new special taxes are all due this month, and, unless paid, a penalty of 50 per cent will be added. A large number of persons affected by the new law were in the office of Collector Moncure yesterday to find out their exact liabilities.

SPECIAL MEETING TO VOTE MONEY

Council Tables Annexation Appropriations for Action on Friday.

MAY GIVE AID TO PINE CAMP

Finance Committee to Confer With Administrative Board on Relief Measures.

Under the rules governing the disposition of all proposed appropriations originating in committee, the Common Council last night laid on the table every one of the emergency measures reported by the Committee on Finance to take care of the annexation expenses of the several city departments.

In consideration of the urgent nature of the appropriations in question, President Peters last night issued a call for a special meeting of the Common Council to be held at 8 o'clock Friday evening. The special meeting will be for the purpose of considering only the annexation appropriations and the report of the special Redistricting Committee.

The tabling of the annexation measures left the Council in a position of other matters of importance. A communication was presented from Mayor Ainslie inclosing letters from the Tuberculosis Camp Society and Chief Health Officer Levey describing the critical condition in which Pine Camp finds itself, and urging relief measures by the city.

WILL TAKE STEPS FOR EMERGENCY RELIEF

Mayor Ainslie has indicated immediate and careful consideration. Councilman Ratcliffe moved that the papers be referred to the Public Utilities Committee. The Council defeated this motion, and after one motion by Councilman Pollock referring the papers to the Finance Committee with the instruction that it confer with the Administrative Board on immediate relief measures and report as early as practicable to either branch.

Under a suspension of the rules the Council adopted a resolution offered by President Peters refunding to the Salvation Army the sum of \$50 paid by it to the city as rental for the City Auditorium for Thursday night, when Eva Booth, daughter of the famous founder of the order, is scheduled to make an address.

The ordinance creating the Public Employment Bureau of the city of Richmond, reported with a unanimous recommendation by the Ordinance Committee on Finance, a petition was read from the widow of Michael J. Moore, the Street Cleaning Department employee who was killed recently in an industrial accident while in discharge of his duty, asking that the Council make some restitution for the great loss suffered by her. The petition was referred to the Committee on Claims.

NEW SCHOOLHOUSES ARE PROVIDED FOR

The Council passed the resolution from the Public School Buildings and Sites account \$32,420.94 to a new account for the building of the Nathaniel Bacon School, at the intersection of Third and M Streets. It passed also the resolution authorizing the School Board to secure plans for the construction of a new \$100,000 school on Baltimore Street, between Cowardin Avenue and Fifteenth Street, South Richmond.

A resolution making an additional appropriation of \$1,500 to the Committee on Advertising and Enterprises, was passed by a unanimous vote. The body passed also the resolutions appropriating \$15,605.72 for City Home expenses; \$9,000 for expenses incident to the grading of streets; and \$4,000 for the expenses of the Electric Plant.

Councilman P. P. Pilcher, of Clay Ward, introduced an ordinance authorizing the Administrative Board to employ a city-planning expert for the purpose of making plans and specifications for the development and improvement of the new territory that will on Thursday become a part of the city. The ordinance carries an appropriation of \$15,000 to cover the cost of the work.

ANNUAL DONATION DAY AT SHELTERING ARMS

Free Hospital Makes Annual Call to Supplement Small Appropriation Made by City.

This is annual donation day at the Sheltering Arms Free Hospital, and throughout the day visitors will be received at the institution. Reports indicate that the year has been a successful one and great suffering has been relieved during the past year by the kind of the only institution of its kind in the city.

During the past year 600 patients were treated at the hospital at a cost of \$12,000. The city appropriates annually \$2,500 toward the support of the institution, and about the same amount is realized from the sale of uniforms, while the remainder of fund necessary for the support of the institution is raised from the contributions of individuals. It is believed that liberal donations toward its support will be made to-day.

Of the hospital who will be in the reception line to-day are: Miss Frances Scott, president; Mrs. George King, treasurer; Mrs. O. J. Sains, secretary; Miss Sarah Archibald, Mrs. D. T. Williams, Mrs. E. T. Robinson, Mrs. R. D. Garvin, vice-presidents; Mrs. T. A. Cary, assistant secretary; and Mrs. Charles F. Lee, corresponding secretary.

At a meeting of the club held yesterday afternoon at the Young Women's Christian Association Building it was announced that from now on members of the club will meet at 4 o'clock every Monday afternoon at the Young Women's Christian Association Building to continue the work of making garments for the destitute.

Plans for the sale of Christmas Red Seals to aid the work of the Anti-Tuberculosis Association will be discussed at the next meeting of the club. Miss Agnes Randolph, secretary of the association, will attend the meeting.

Police Benevolent Association to Meet.

The annual meeting of the Police Benevolent Association, at which the reports for the year will be rendered by the various committees, will be held in the Hustings Courtroom at 4 o'clock Thursday afternoon. The activities of the association this year have comprised many new and far-reaching efforts, and it is said a far greater amount of good has been done than ever before. The report on the annual police picnic, held at the State Fair Grounds, will probably prove one of the most interesting.
